

## Working with Volume Groups/Listing volume groups.txt

### Listing Volume Groups

List volume groups in the Block Volume service.

### Console

Open the navigation menu and click Storage. Under Block Storage, click Volume Groups.

### Listing Volume Groups

List volume groups in the Block Volume service.

### CLI

Use the `oci bv volume-group list` command and required parameters to list volume groups:

### Command

#### Copy

#### Try It

```
oci bv volume-group list --compartment-id <compartment_ID>
```

For example:

### Command

#### Copy

#### Try It

```
oci bv volume-group list --compartment-id ocid1.compartment.oc1..<unique_ID>
```

For a complete list of parameters and values for CLI commands, see the CLI Command Reference.
