

## Working with Block Volumes/listing volumes.txt

### Listing Volumes

View a list of the block volumes in your tenancy.

You can list all block volumes in a specific compartment. To view detailed information for a single volume, see [Getting a Block Volume's Console](#)

CLI

API

Open the navigation menu and click Storage. Under Block Storage, click Block Volumes. A detailed list of volumes in your current compartment is displayed.

To view the volumes in a different compartment, change the compartment in the Compartment drop-down menu.
